

50 Qualities That Makes A Girl Hot In A Guy's Eyes

By

Dating Logic

1. Fun

A guy gravitates to a girl that he feels is fun. She is typically willing to have a good time and just enjoy herself. Being fun means that he can joke around with her and she responds with the same kind of enthusiasm that he has. She is totally open to just being in the moment and letting the experience lead her to wherever it goes.

2. Open-Minded

A guy may not always know what would make a particular girl happy or turned off. Sometimes, he plays it safe just so that he doesn't offend her in any way. However, that girl becomes automatically hot in his eyes when he knows that she is open-minded enough to do things that she may have never tried before or to entertain new ideas about something. It makes him feel like there is so much room to grow with her.

3. Admitting Fault

There are some girls who find it hard to admit fault. She may believe that doing so would make her look bad. However, a girl who is willing to admit fault is hot in a guy's eyes because it shows him your humility. It also shows him that you are willing to look back at something and truly assess how you behaved or reacted. This allows him to feel like you are a fair and considerate girl.

4. Independence

This is not the kind of independence that is all about showing him that you don't need him. It is more so the kind of independence that shows him that you have your own life and goals that you strive for. It's an independence that shows that you know where you want to go in life and you are intent on getting there whether he is in your life or not.

5. Confidence

A guy is thoroughly drawn to a confident girl and truly sees her as hot because he realizes that she is really in tune with herself. She doesn't need the approval of anyone else in order to feel good about herself or in order to feel like she is acceptable to them. She is totally happy and resolute in who she is even when she knows that she isn't perfect in every aspect.

6. Adventurous

A girl who has a knack for wanting to have new and amazing experiences is so hot to a guy. It gets him excited to know that she is always game to try something fun and interesting. It could be a trip out to the country for the weekend or a hike up a mountain, etc. She is just ready to have adventures and loves experiencing so much of what life has to offer without staying stuck doing the same old activities all the time.

7. Punctual

A guy wants to know that the girl he is dating is good at being at a place when she says she will. If he is kept waiting all the time for you, he will begin to worry that you have no respect for his time and thereby no respect for him. You are hot in his eyes when you are punctual because it gives him the reassurance that he can ask you to do something in the future and you will be on time. It just gives him that sense of security with you which can be very appealing and hot.

8. Unique Style

When you have your own unique style, you are different from all the other women. You now have a signature that is uniquely yours. This can be so incredibly hot to a guy. Whenever he sees you, he knows that he is getting a girl who has her own unique style and is completely comfortable in it. It could be the way you dress, do your hair, wear your nails, decorate your home or car, etc. You just have a unique style to you that is all about your own expression.

9. Funny

When you are able to be funny, you are able to really make him feel good about being around you. When he thinks about you, he instantly has a smile on his face. He may think about something funny that you told him recently or something funny that you did. This is how he keeps seeing you as hot. He loves that spirit. He wants to be around you a lot more.

10. Silly

You can be silly in the sense that you can totally make a fool of yourself for laughs or just for the heck of it. Being able to be silly can be such an incredibly attractive and hot quality in a girl. It makes you seem approachable and enjoyable to be around. It makes you appear to be the kind of girl that he can actually allow himself to get really comfortable with and just be himself with. Everything doesn't have to be so serious all of the time. Being able to be silly completely captures his adoration for you.

11. Supportive

He may have dreams that he wants to accomplish. He may have a project that he is currently working on. Being supportive of him can go a long way in making him feel that you are hot. He just loves the fact that he can call you and talk to you about whatever he is working on or hoping to achieve and you are able to give him words of encouragement. You are able to be his support and let him know that he can do it.

12. Considerate Of His Time

You are not going to be constantly calling and texting him when you know that he is busy or has a life of his own that he also has to lead. He notices that you are like this and realizes just how considerate of his time you are. You aren't getting so clingy that you must have him talk to you when you call or multiple times a day. You let him have his time because you respect that there are other things that he has to do in life that doesn't include you.

13. Considerate Of His Space

You are willing to let him have his space on a regular basis. This means that you aren't always trying to be where he is and occupy his physical space. You are considerate of his space and know that there are moments where he just wants to focus on what he loves doing without having to worry about keeping you entertained or having you around. This makes him think of you as incredibly hot and a girl that he would most definitely want to keep around.

14. Considerate Of His Friend Time

You are not trying to get him to hang out with you and only you. You are not trying to always have to be there if he is going to be hanging out with his friends. You let him have good and ample time with his friends without you being in the picture. This is something that he notices and absolutely appreciates. It makes him even think about what you may be up to while he is hanging out with his friends. So you are even more of a fixture on his mind and it is all positive.

15. Nonjudgmental

Being nonjudgmental is a very admirable quality that can totally make you look hot in his eyes. He realizes that you are willing to accept him for who and what he is. You aren't trying to change him or mold him to what you want him to be. You love and appreciate him for the fact that he is his own

unique self. You don't judge his insecurities and try to make it seem like he is less than for having them. You just know that every person has their strengths and weaknesses and you accept him regardless.

16. Helpful

You tend to help him when he is in need of it. You don't let him take advantage of you. However, you are there to help him run an errand if he is just not going to be able to do it. You may walk his dog if he is unable to. You may help out a friend of his or a family member for his sake. These are acts that he remembers and sets you apart from other girls.

17. Opinionated

If you are always in agreement with him, he will wonder what game you are playing or if you have a mind of your own. This is not what you want him to be thinking. Don't be afraid to be opinionated about something that you believe or a viewpoint that you might have, even if it differs from his own. He really gets to understand the real you when you are this way. He gets to hear a different perspective that he may have never considered and this can do so much in making you hot in his eyes.

18. Honesty

Your honesty is crucial in giving him the sense that you are someone that he can take seriously. By getting the sense that you are honest, it also opens him up to being more honest with you and being truthful. He starts feeling like he has to match your character. He gets the feeling over time that he can open himself up to you more and more because he trusts you. He knows that you will tell it to him straight and that you have character.

19. Trustworthy

He wants to know that you are someone that he can trust wholeheartedly. You are automatically hot in his eyes when you have given him the impression that he can literally trust you with his life. This is the kind of connection that he doesn't have with just any girl. It makes you immensely unique and hot to him. It makes him want to be with you a lot more because he knows that he never has to worry about your truthfulness.

20. Loyalty

He also appreciates that you are loyal to him. He gets a much stronger sense of your character through this. It even gives him the opportunity to consider what it would be like if he were to date you on a serious level and for the long-term. Every guy wants to feel that they are with a person who is going to be loyal to them. If you have had a history of loyal relationships in the past, you are already several steps ahead. If you maintain this kind of behavior with him, you are totally hot in his eyes.

21. Passion For Something

Having a passion for something can be very electrifying and incredibly irresistible to a guy. The kind of energy you display when you show a passion for something can be infectious as well. It may be a passion for a particular pastime that you have or your career or a way of life, etc. This is very appealing to a guy and makes him look at you as incredibly hot. It shows that there is more to you than just the regular monotony of daily life.

22. Fearlessness

You don't have to be the bravest person in the world or put yourself in life-threatening situations. This is more so about your willingness to take risks in life and get out of your comfort zone. It may be a decision you make to start living a certain way or to start exposing yourself to new and different kinds of people. It could be a decision you make to go on a new path in your professional career. Whatever route you choose to show fearlessness, it lets him know that you are a special girl and this is very hot in his eyes.

23. Affection

It's not only girls that love affection. A guy will find your ability to be affectionate very endearing. He wants to know that you really do care. He wants to know that you want to be with him and just enjoy that moment with him even if all you are doing is holding his hand or hugging him. The right kind of affection that is done in order to fulfill each other's emotional needs in that moment can be very powerful.

24. Knowledge

You may not think that your knowledge about a particular topic or several topics can make you look really hot to a guy, but it does. You may think that you don't want to appear as though you know everything, so you hold yourself back. On the contrary, you should be open with all this knowledge and show it. He will absolutely be drawn in by it. He will want to learn more from you.

25. Quick Learner

He may really want you to do something with him that he really loves or he really needs to get done. Perhaps he wants to fix up his boat or bike and would really love it if you could help him. Perhaps he wants to paint his new place or work on refurbishing a new place he just bought. He may want your help with all or some of this and you may not necessarily be the handiest person. If you are able to learn quickly from him and contribute to helping him get these done, you are so hot in his eyes.

26. Inquisitive

The more you want to learn about him, the better he feels about you. This is best done in a gradual way. You shouldn't ask him everything there is to know about him within the first few dates. This is more so of a gradual and sustained act. When you are able to be inquisitive in this way, he realizes that you really care about getting to know him as a person. You are really in this for the long haul and you are taking what he has to say seriously.

27. Patience

Your ability to be patient during the process of getting to know him is very impactful. He doesn't feel rushed to fulfill a particular role. He doesn't feel like he has to make moves on you that he isn't quite ready to or isn't comfortable doing at this time. Your patience with him is making him look at you as more and more of a prospective partner in the future. This makes him look at you as hot and appealing.

28. Can Handle Criticism

He knows that you aren't perfect. There may be times that he doesn't agree with something that you said or did. He may voice his opinion. If you are able to take his constructive criticism and not take offence at it, you are automatically hot in his eyes. This is not about him trying to make you feel bad. This is simply him being honest with you. Your ability to recognize what he is doing and handle it with intellect and resolve can be very appealing. It lets him see that you are not so stuck in your ways.

29. Tempered

When you are tempered and measured in the way you approach life or react to it, you are really hot in his eyes. This basically allows him the security in knowing that you aren't instantly going to lose your composure the moment something doesn't go the way you want it. Instead, you have a tempered and measured response to things. This makes him want to be around you even more because he knows that you have true control over your emotions.

30. Flirty

You can go a long way in being hot in his eyes when you are able to flirt with him effectively. Being able to be flirty with him on a consistent basis really allows him to let you in. He knows that he can have some fun with you and you will respond. He knows that he doesn't always have to worry about saying the appropriate thing at all times. You are willing to say some provocative and sensual things. That can be very hot to a guy.

31. Generosity

You are generous with what you have and with your help. This is not about letting him take advantage of your generosity. It is more so about you showing that you are willing to be giving. You should be measured in how much you give. Again, you never want to put yourself in a position where you are being taken advantage of. However, if he is generous as well, then you both equate. This is a quality that really makes you look hot in his eyes because he knows that you are not just a taker, you give as well.

32. Keeping Your Promises

A guy can easily look at a girl who has a tendency to keep her promises as hot. It lets him know that you are not going to flake on him just because you didn't feel like meeting him that day. It lets him know that he is able to take your word when you say that you are going to do something. This makes him feel more encouraged to set plans with you for the near future.

33. Humility

When you are able to show him that you do have a sense of humility about you, you endear yourself to him. Even when he knows that you are really physically attractive but he senses that you don't try to use that to appear as though you are better than everyone else, he can really look at you in a very positive way. He knows that you are different from other girls. He wants to be around your persona because it makes him feel like you won't behave as though he has won the jackpot because he is with you.

34. Down To Earth

Your ability to just do whatever on a given day without worrying about whether that activity is beneath you is an amazing quality. He knows that you will be open to even doing the most mundane activities because you aren't high maintenance. It is not always about having to take you to the fanciest restaurants or the most glamorous balls. You can do all those things but you can also sit back and just hang out at home on a movie night. Being down to earth is hot and he will want to be with you more.

35. Intuitive

A guy may want some insight into something from time to time. It could be insight into how to go about attaining something or how to go about handling a certain facet of his personal life. When you are intuitive enough to give him insight into these areas in a way that really enlightens him, he can easily look at you as hot. He loves that he can go so much deeper with you on certain issues.

36. Driven

Being driven can be very infectious to a guy. This is a quality that he really admires in you. It lets him know that you are able to go for what you want once you have set your mind to it. It is something that can also motivate him to go after what he wants. He really enjoys and appreciates being around this kind of energy. It may even get to the point where he just can't get enough of you.

37. Prideful

Taking pride in who you are is a very strong quality that can appeal to a guy immensely. It doesn't have to mean that you have had the most amazing accomplishments in life in order to be prideful. It could be something as mundane as being prideful of your home or an exam you just passed, etc. Being prideful lets him see that you do place value in what you do and accomplish regardless of how small it might be.

38. Uplifting

Having an uplifting persona in general can be very hot and appealing to a guy. He may need it from time to time when he isn't feeling particularly upbeat. He may enjoy watching you uplift other people. He may enjoy the kind of joy that you bring to other people when you do it. They may even come to him from time to time and tell him about how much of a positive impact you had in their life and how lucky he is to be seeing you. These are things he remembers and appreciates.

39. Family Oriented

He may have a loving family that he hopes you grow to love. With an attitude that appreciates family and what it means to build relationships with family, he will look at you as very hot. He has people in his family that he loves and adores. When you are able to love them as well and show your respect for them, he can't help but see that as hot and want to be around you and with you.

40. Progressive

In being progressive, you don't dwell on something. If you tried to attain something and you failed, you aren't sitting around feeling sorry for yourself. You are already finding new ways to resolve it or you have moved on to new challenges. By being progressive, you progress in life amid all of the bumps that come with it along the way. This is a quality that lets him know that you aren't the kind that will keep him back or stuck. You can both move forward in life and overcome any challenges that come your way.

41. Time Manager

You know when it is time to leave and let him do his thing or even go to sleep so that he can get to work the next day. You know when it's time to end a date and not keep it going for too long. In essence, you don't overstay your welcome or prolong an experience for the sake of it. This lets him know that you respect his time. It makes you hot because he now knows that he can do things with you without worrying about the length of time he has to be at it just to keep you entertained.

42. Self-Promoter

Never be afraid to amplify your important and valuable qualities. If you know that you are funny, be willing to say that you are. If you know that you are a die-hard fan of something i.e. sports, art, etc, be frank and open about saying it. If you know that you love animals or care about the plight of human beings, say that you are and be accepting of it. The more you are able to say what you are and promote yourself as such, the more he feels like you are really in tune with what you believe in and with yourself.

43. Entertainer

Your ability to entertain others can be an incredible quality that draws him to you and makes him look at you as hot. Whether you are entertaining people at home or a social event that you organized, he really gets to see you in action. He loves the way you are able to make the people invited feel so alive and involved in the event. He loves the way you make them laugh or feel good about themselves. This makes you hot and so much more desirable.

44. Unpredictable

He is not always able to tell what you are going to do at any given moment. You may have invited him to do something with you that evening but then you suddenly take him somewhere else that he wasn't expecting. There are a number of things that you can do to be unpredictable and keep him guessing

sometimes. This is so incredibly hot and attractive. It gets him so excited to be around you because he wouldn't always know what trick you may have planned.

45. Strength

You are strong in character, will and resolve. He is immensely drawn to this because it relieves the pressure. He knows that he doesn't always have to be the strong one in the relationship. He doesn't always have to be the one that carries the weight of a major decision or that has to show less emotion. He knows that you are an equal partner in strength. Hence, he can lean on you.

46. Decision Maker

He loves it when you can make decisions on something without him having to always have an input. He finds you incredibly hot when you are able to take control from time to time and let him know what you are both doing that night for a date. He relishes it when you decide on what should be done with a particular problem. This is a quality that lifts the burden off him. He feels that responsibility is shared between the both of you and he doesn't always have to be the one to make the hard decisions.

47. Planner

Some girls can take this overboard. However, when this is done in the right amounts, it can be very effective in getting a guy to look at you as hot. He likes to know that you can plan things out into the future. Perhaps there is a trip that you both have discussed and you are taking a proactive approach in setting it up. Of course, it works best when you are both planners and it isn't all one-sided. But as long as there is a balance in this kind of approach, he will see you as hot and love you for it.

48. Creator

Create something that the both of you can uniquely share. This is something that is so powerful. You would be creating an amazing experience. It could be building something with him like a personal garden in your backyard or even a themed backyard filled with characters that you may both love in the movies or history, etc. It's being creative with him in a way that may even get his creative talents flowing. Building or creating something together can be enormously appealing and makes you hot.

49. Treating Him

Guys do like to be treated as well. You really make him feel like you are hot when you take it upon yourself to treat him from time to time. You could take him to his favorite restaurant or get him tickets to see his favorite sports team or get his car detailed for him. These acts truly add up and make you look so incredibly special to him. You get hotter and hotter every time you do something for him this kind and this pampering.

50. Respectful

A guy wants to feel like he is respected. A lot of guys complain that they don't always feel respected by their girlfriends or by the girl they may be talking to. Perhaps he feels like he is often disregarded or he is often made to feel like he is the bad guy whenever an argument arises. By being respectful of him, you set yourself apart. You are showing him that you value him as a person and look at him as your equal. This makes you incredibly hot in his eyes.
